Author's VERY BRIEF Summary of Proposed Action:

Affected Rule: 37.2 Nominating Hall of Champions

37.2 GOALS OF ELECTORS: To be eligible for spots #1 & #2, the selected driver must have a minimum of three (3) of the following items: one (1) through six (6) listed below, accumulating all the points from only one (1) national inboard racing class. For spot #3; the selected driver must have a minimum of three (3) of the following items: one (1) through six (6) listed below, accumulating points in any one or multiple national inboard racing classes (1) through six (6) listed below. A person receiving a red card should not be considered for Hall of Champions induction in the year they received this card.

Proposed rule: Add the bold text to Rule 37.2 : 37.2 GOALS OF ELECTORS: To be eligible for spots #1 & #2, the selected driver must have a minimum of three (3) of the following items: one (1) through six (6) listed below, accumulating all the points from only one (1) national inboard racing class. For spot #3; the selected driver must have a minimum of three (3) of the following items: one (1) through six (6) listed below, accumulating points in any one or multiple national inboard racing classes (1) through six (6) listed below. **If no drivers achieve the requirements listed for positions 1 and/or 2, drivers who meet the requirements in multiple classes shall be eligible for selection for these positions. A person receiving a red card should not be considered for Hall of Champions induction in the year they received this card.**

Reason for change: Meeting the requirements to be eligible for the Hall of Champions is difficult, meeting the requirements for the Hall in only one class is very difficult, and, therefore, is given preferential treatment. If we do not have all the seats filled, and have more than one driver meet the requirements driving in multiple classes, we should be able to recognize that person's achievement by selecting them to the Hall.
