

JESUP RACING COVID PRECAUTION PLAN

1. The Pit area will be designated by orange snow fence, admittance to this area will require checking in at registration where temperatures shall be taken and a wrist band issued if the temperature falls below 100.4 and no other symptoms or illnesses exist.
 - a. A new wrist band of different color will be issued each morning of the event
 - b. If any of the above ailments exist, we will not allow admittance into the pit area
2. Howie Nichols (321) 626-0666 will be the liaison for any COVID related questions
3. The Race Committee is requiring the use of Masks in the pit area at all times Social Distancing can not be met, at times when not with members of your immediate family, during registration and driver's meeting.
4. Hand sanitizer will be available at Registration, Inspection, and Restrooms, it is highly advised teams bring their own personal sanitizer.
5. Rescue, turn judge, and tow boat personnel will also be asked to maintain distancing as much as possible and continue good sanitizer use.
6. All the above requirements and conditions are subject to change dependent on the State of Georgia and Wayne County requirements at the time of the event.
7. PA announcements will be conducted throughout the duration of the event as reminders of mask and distancing guidelines.
